

Yearly Status Report - 2019-2020

Part A				
Data of the Institution				
1. Name of the Institution	ACHARYAPATHASALA EVENING COLLEGE OF ARTS AND COMMERCE			
Name of the head of the Institution	Dr. C. M. Hanumatharayappa			
Designation	Principal(in-charge)			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	08026613705			
Mobile no.	9901259939			
Registered Email	apseveningcollege@gmail.com			
Alternate Email	apsiqac64@gmail.com			
Address	Narasimha Raja Colony,			
City/Town	Bangalore			
State/UT	Karnataka			
Pincode	560019			

2. Institutional Status				
Affiliated / Constituent	Affiliated			
Type of Institution	Co-education			
Location	Urban			
Financial Status	Self financed and grant-in-aid			
Name of the IQAC co-ordinator/Director	A. Sudarshan Kumar			
Phone no/Alternate Phone no.	08026613705 8904330440 suda369@gmail.com			
Mobile no.				
Registered Email				
Alternate Email	apsiqac64@gmail.com			
3. Website Address				
Web-link of the AQAR: (Previous Academic Year)	<u>http://apseveningcollege.in/pdf-</u> <u>html/AQAR-2018-19.pdf</u>			
4. Whether Academic Calendar prepared during the year	Yes			
if yes,whether it is uploaded in the institutional website: Weblink :	<u>http://apseveningcollege.in/pdf-</u> <u>html/Doc-pdf/Calendar%20of%20Events.pdf</u>			

5. Accrediation Details

Cycle	Grade	CGPA	Year of Accrediation	Vali	dity

11. Whether IQAC reco the funding agency to during the year?		No						
12. Significant contrib	utions made by IQA	C during	the current	year(maximum five I	oullets)			
National level ser	ninar on Nationa	l Educat	ion Poli	cy on 05/03/2020				
State level NAAC webinar organized by English Dept. by A.Sudarshan Kumar as a resource person 18/06/2020 to 24/06/2020								
Free medical camp organized by NSS UNIT for students, faculties, parents and public 25/09/2019								
Special guest lecture on "women Empowerment: Rights to Property". Organized by women empowerment cell on 28/01/2020								
Special lecture on Solar Eclipse Awareness Programme organized by the English Dept on 24/12/2019								

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Promotion of NSS activities.	The college has taken initiative in promoting various NSS activies such as Blood Donation Camp, Medical Camp, Swach Bharath program, Shramadhana programm, voting awareness programme and other programmes.
To organize webinar lecture series from all the departments.	The pandemic had affected the regular academic atmosphere of the institution, so to establish a cordial academic relationship with the students the college decided to organize webinar lecture series.
To strengthen the mentoring system for the students.	Student mentoring has always been a best practice of the institution, it is being efficiently and effectively carried out by the institution which has helped the students of evening college. Many students have been benefited by this mentoring system with respect to their academic performance, intrapersonal relationship and participation in cocurricular activities.
To organize national level seminar from the English and social science's department	The IQAC decided unanimously that, the English and social sciences department to organize a national seminar pertaining to academics. The draft NEP was released by the central government and discussions were in the pipeline amongst the academicians hence the college decided to take it up as a predominant topic of discussion for the national level seminar.
14. Whether AQAR was placed before statutory body ?	No
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes

Year of Submission	2020
Date of Submission	28-Jan-2020
17. Does the Institution have Management Information System ?	No

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

a. A.P.S Evening College is affiliated to Bangalore University (Bangalore City University) and hence the reopening and all the procedure is followed accordingly. The rules and regulations are framed by the university. The curriculum is planned well in advance before the reopening of the college. This is designed in a meeting where all the staff members of the college are present. Various committees are formed before framing the curriculum. b. As per the initiative of the IQAC committee the curriculum is planned by the departments and the committees. The curriculums further divided in to curricular co-curricular and extracurricular activities and programmes. The heads of the committees and the departments are given free hand and freedom to organize already initiated programmes. An allotted fund from the management as and when, is released for the expenses of the programmes. c. Students representatives are selected and given information about the programmers. Time slots are allotted to various departments as per the schedule and then the programmes are organized keeping in view the resource persons to be invited. The department's and committees further hold meetings with the principal and organize the programme. The guest or the resource person is selected according to suitability. The feedback on the programme is collected from the students orally and sometimes through the feedback forms. Such programmes enhance the academic capability of the students. This in turn helps them in framing their future with good knowledge of the subject. This also helps the students in their performance in the examinations. d. Based on semester wise result analysis of every course corrective measures are suggested by IQAC and bridge courses and remedial lectures are conducted if required. e. Online videos on various topics are uploaded on the college website. f. Teachers are informed about their workload and courses for coming academic year. This helps them to prepare teaching plan. g. Teachers refer to the standard reference books prescribed by University along with latest information available through online and other resources for effective implementation of curriculum. h. Besides the use of conventional method, various other teaching methods like Quiz, Group Discussion, Demonstrations, Debates, PPT Presentations, Role Play, Games, Industrial Visits, Add-on practical's, Open book tests, Assignments, Use of charts and graphs, are used for effective curriculum implementation.

4 – Feedback System						
4.1 – Whether structured feedback rec	ceived from all the stakeholders.					
Students		Yes				
Teachers		Yes				
Employers		Yes				
Alumni		Yes				
Parents		No				
.4.2 – How the feedback obtained is be naximum 500 words)	ing analyzed and utilized for overall	development of the institution?				
Feedback Obtained						
a. In order to endorse continuous growth of the institution and growth of the students, we have laid an active feedback mechanism in place that collects analyses and implements recommendations from the students to make academic improvements of the college. b. Further, Subject level feedback is taken from students to enhance the teaching learning process. The analysis of such feedback is done on an institutional level and in case of any grievance the appropriate department initiates an enquiry and proposes suitable action to be						

infrastructure and learning resources for ensuring their satisfaction. c. The

alumni of the college provide helpful suggestions on helping the students gain

extra appreciation and improving themselves. 1. Student feedback: overall college functioning and teaching learning process 2. Teachers Feedback (Teaching and Learning Process) - This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. 3. Alumni feedback: is based on role of the college in the development of student personality and employability and academic excellence. This pertains to asking them how the college has imbibed them in acquiring life skills. 4. Parents feed Back: Parents feedback shall be taken in future about the infrastructure, quality of teaching and about overall satisfaction an ideal stake holder gets is composed in a report and finalised to assess the institution.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

	View	File of ICT	Tools and reso	ources	

View File of E-resources and techniques used

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

a. Acharya patha sala evening college has a student mentoring system in place. In the beginning of each session, after the admission process is over, each department is required to assign a teacher mentor to each student of first year. b. Mentors are allotted required number of students based on the feasibility and compatibility. It is also required that the same mentor continues to mentor the student for all the three years of his/her graduation. c. As an example of Mentor Mentee ratio, if a department has 20 teachers and 200 students, then each teacher will be mentor to 20 students. The mentor is required to prepare a list of his/her mentee students and get acquainted with them. d. Mentors conduct a meeting with their mentees once a month or so to discuss their problems and issues. These issues can be related to college infrastructure, academic, non-academic, or personal issues. Mentors identify skill gaps in mentees in order to expand and realize their potentialities. e. Mentoring enables mentees to gain invaluable insight beyond their own education and

experience and gives them the edge with support and guidance. They freely tell their problems either orally or in writing to their mentors, who in turn listen to them patiently and solve their issues as much as possible. Mentors maintain a record of their monthly meetings with their students. f. Although students are free to approach their teachers anytime if any issue is disturbing his/her routine, still, the system of mentor – mentee builds an extra self-confidence and sense of safety among students. g. This whole system leads to a better connection between students and teachers and helps build a friendly and cordial relation between them. Students get a sense of protection because they know that they have someone to go to in case of any eventuality. h. There is always a time constraint with respect to carrying out this system in the evening college and it cannot be done meticulously and systematically as done in the day colleges. But the very essence of this system is imbibed and articulated in our own way to sustain this system as one of the best practices. We will strengthen this further

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
265	9	1:29

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
32	0	32	0	0

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
Nill	Nill	NIL
	receiving awards from state level, national level, international level	receiving awards from state level, national level, international level

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year- end examination	Date of declaration of results of semester- end/ year- end examination
BA	A80	II, IV, VI	28/09/2020	13/10/2020
BCom	C41	II, IV, VI	28/09/2020	13/10/2020
		<u>View File</u>		

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

a. Acharya Pathasala Evening college is an affiliated college of Bangalore University and is piloted by the guidelines transferred from university level regarding syllabi, examination and evaluation. a. Acharya Pathasala Evening college is an affiliated college of Bangalore University and is piloted by the guidelines transferred from university level regarding syllabi, examination and evaluation. b. Thus, internal assessment scheme is as per university rules. Bangalore University has a continuous internal assessment system in which each paper of 100 marks has a component of 30 marks of internal assessment and rest 70 marks are allotted for the final examination of that paper. c. These 30marks of internal assessment are designed and bifurcated in such a way that a continuous evaluation of students takes place throughout the semester and marks are given for each academic activity performed. d. Orientation for the newly admitted students, ethnic day, annual day, guest lectures, industry visits, study tours, seminars, conferences, workshops, alumni and parent's meetings and sports activities find a place in the annual calendar of the college. e. 20 marks out of 30 are assigned for internal class tests conducted and 05 marks for attendance and the remaining 5 marks are awarded by the teacher on the basis of overall performance of student. f. This can be judged on the basis of assignments, presentations, interactions, projects or oral tests etc. g. Presentations are taken on topics related to the syllabi or even on topics other than the main paper to develop the interest of students. Thus, a continuous internal assessment system works throughout the term to evaluate the students on the basis of their day-to-day performance and growth.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

1. The Affiliated University comes out with an academic calendar of for the year and is circulated to all the colleges. There would be certain fixed programmes to be conducted as per the circulated calendar. But certain programmes depends on the existing situation of the institution where in there would be another calendar of events prepared at the institution level. For example: the university lays down the programme of internal assessment test to be conducted in the year. The institution has a freedom of conducting it according to it's own condition and situation based on the overall functioning of the college. 2. There wouldn't be any specifications to conduct departmental activities and co-curricular and extracurricular activities of the college. It depends on the classes conducted and the time available for conducting such programmes. 3. But over all there would be no hitches in adhering to the calendar of events as planned by the institution to conduct the examination and other related matters.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

• The APS Evening College ensures the optimal allocation and utilization of the funds for maintenance of infrastructure and purchase of new equipment. The proposal for the same is submitted to the College. • This is further approved by the Principal. The quotations are invited and the equipment is purchased from the vendor with the lowest quote. This is further submitted to the management for approval of the general secretary of the trust. • Our sports Centre and gymnasium provide ample avenues for competitive and skillful physical culture activities. • At the end of the financial year, the TRUST carries out an Internal Financial Audit. The various functions of the College are carried out by the Committees constituted by the College. • The garden is maintained by Garden committee, and the upkeep of library is done by the staff of library and library committee. • The security of the College is maintained by the security guards. • A number of CCTV cameras have been installed to monitor the infrastructure. • The Computer Desktops, Generator and Water Tanks are maintained through the AMC with the respective companies. • Fire extinguishers are installed and are checked every year. ALL THESE FINANCIAL

IMPLICATIONS ARE TAKEN CARE BY THE MANAGEMENT

The students will heir the ward he wards	

crowd with too many students in the same class coming from different backgrounds these students face stress of complex course, peer pressure, and emotional immaturity. Therefore, it is the need of the hour to intervene and introduce mentorship program to this vulnerable group. The teacher mentor will perform the following functions: - • Meet the group of students at least once a month. • Keep contact details of students and parents. • Send letter to parents/guardian for parents meet and also contact parents/guardian if situation demands. • Continuously monitor, counsel, guide and motivate the students in all academic pursuits. • Advises students in their career development/professional guidance. • Keeps contact with the students even after their graduation. • Intimates HOI and suggest if any administrative action is called for. Mentoring enables mentees to gain invaluable insight beyond their own education and experience and gives them the edge with support and guidance. Feed-back system is another best practice which the institution has evolved to maintain uniform and elegant education dispensation in the college. Feedback is any response regarding a students performance or behaviour. It can be verbal, written or gestural. The purpose of feedback in the assessment and learning process is to improve a students performance - not put a damper on it. The college has come out with a proforma to distribute it to all the students about the core values of teaching with respect to every subject and every teacher. The questionnaire has been formulated in consultation with the I Q A C Members and students representatives and will be distributed to the students. The marking ranges from 1 to 10 and sometimes 1 to 05 range of scale. This marking based on the present students in the class room would be collected and finally analysed and reported to the principal. If there is any need for improvement, the concerned teacher will be called personally and informed about the corrective measures.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The A P S Evening College is distinct in its own way in several ways. Amongst them is the working towards the poor and the needy of the society. The vision and mission of the institution proclaims that quality education at an affordable cost to socially economically and weaker section of the society to empower them with knowledge. This is followed in true spirit to the student community who come to our college. this institution was started with the sole aim of catering to the needs of the socially and economically weaker section of the society. This has been the core thrust of the institutional distinctiveness which has been followed till now. Evening Colleges are not approved NSS Unit by the Universit as the timings are conditions of the students are not favourable to it. But A P S Evening College has started an NSS Unit totally self- financed and has conducted special camps swachata programmes. This was done with the objective of providing an opportunity to the students of Evening College to do service, know the value of service and also build the confidence in them to face challenges of life by looking at more disadvantaged people than

themselves. NSS has received marvellous response by the students and is growing in strength. To provide an experience to the students, experts from various fields are regularly invited for lectures, seminars and workshops. This becomes characteristic feature of our college because the college faces the challenge of engaging employed students who already have an exposure to the outer world. The knowledge base of the students is thus constantly being supplemented. As a best practice, our own students who are talented in certain areas of knowledge, take to teaching other interested students in special sessions outside the purview of the time-table. To realise the task, the college conducts a number of activities, guest lectures, seminars, competitions etc. The cultural activities of the college supplement to the vision and mission of the college which clearly states that the all-round development of the student is taken care of. The events or the activities of the cultural programme caters to all the students the needs they truly deserve and finds an improvement in their outlook towards society. The sports activities of the college is yet another important segment which is appreciated by many stake holders. All these activities hold a mirror to the vision and mission envisaged by the institution in upholding the values and ethics of the institution.

8. Future Plans of Actions for Next Academic Year

The present start of affairs of the society is such that the institution has to look at the entire educational scenario with a different perspective. The post covid situation has posed challenges to the entire student and staff of the institution in particular and of the society in general. The plans that are planned and executed should be in accordance with the socio-political situations of the times in which we live. Hence the institution has come out with the following plans to be executed in the coming years. 1. To raise funds from corporate and other philanthropic agencies to provide for the economically backward students with respect to their fees and other needs. 2. To strengthen the use of I C T in the class rooms and also in the process of communication with the students. 3. To strengthen the activities of N S S which is self-financed and also to conduct seminars on co-curricular activities. 4. To inculcate the reading habits in the students by making them library friendly.
